

COBOTS IN MOTION

HAPPY HOUR EVENT!

HAVE A COLD ONE WITH A COBOT! JOIN US FOR FPE AUTOMATION'S POPULAR TRAVELING EVENT

See the latest technology in action, learn how it works, and how it pays off... FPE's traveling collaborative robots will be on site. You've heard about this cutting-edge technology. You know it is transforming industry in unprecedented ways. Here's your chance to learn all about it! Explore the possibilities of collaborative robotics in your workspace. Discover firsthand how easy they are to program. Get answers to questions about implementation, average payback times, and safety. With Universal Robots, MiR and more.

We're in your area, Perryville!

Wednesday, September 5, 2018 4:30-7:30pm
