

Collaborative robots streamline workflow
in unprecedented ways.
Put them to work for you.

Live Demos

Check out the collaborative robot everyone is talking about - onsite!
See the ease of use and investigate ways cobots can enhance your
productivity and offer ROI. Discuss the specifics with our experts and
find out what's behind those powerful testimonials. We'll come to you,
so that you can experience the technology in person!
Call 847-364-7455, or visit www.fpeautomation.com

UNIVERSAL ROBOTS

Meet the travelling cobot.
Schedule a custom demonstration with us today.
